3. Confidentiality

- 3.1. The identity of an Informant will be maintained as confidential in accordance with the Guidelines and the PID Act.
- 3.2. A recipient of an appropriate Disclosure may only divulge the identity of an Informant where:
 - 3.2.1. the recipient believes on reasonable grounds that it is necessary to divulge the identity of the Informant in order to prevent or minimise an imminent risk of serious physical injury or death to any person, **and** the identity of the Informant is then divulged to a person or authority that the recipient believes on reasonable grounds is the most appropriate authority or person to be able to take action to prevent or minimise the imminent risk of serious physical injury or death to any person;
 - 3.2.2. the recipient has been issued with a notice from the OPI advising that the identity of the Informant is required by the OPI, in which case the recipient **must** disclose the identity of the Informant to the OPI;

- 3.3. The PID Act does not expressly require any other information relating to a Disclosure (including, for example, the nature of the allegations) to be maintained as confidential, but in considering whether to further disclose other information provided as part of an appropriate Disclosure the Council should be mindful of the prohibition against Victimisation in the PID Act.
- 3.4. An Informant may wish to remain anonymous, but in that event must ensure that the allegation is sufficiently supported by the provision of necessary details and evidence to enable the matter to be properly investigated.

4. Disclosure Process

- 4.1. Disclosures are to be handled by the Council in accordance with the Public Interest Disclosure Guidelines and the PID Act.
- 4.2. Nothing in this Policy prevents a person from making a Disclosure to a Relevant Authority external to the Council (i.e. the Ombudsman or the OPI). This is a choice to be made by the Informant at his/her discretion.
