Responsible Officer	Chief Executive Officer
Relevant Delegations	Manager Development
Legislation and References	Local Government Act 1999 Planning, Development and Infrastructure Act 2016

1. INTRODUCTION

The Policy's purpose is to articulate to applicants / developers who are unable to accommodate the required car parking within their site, what financial contribution they are required to make to Council to accommodate external car parking.

2. POLICY

2.1 This policy shall apply in the following designated areas:

- an area coinciding with the zone boundaries of the Township Main Street Zone, Township Activity Centre Zone and the Strategic Employment Zone – (formally the Archer Place Policy Area 1 under the CGVC Development Plan) in Clare.
- an area coinciding with the zone boundaries of the Township Main Street Zone in Auburn.
- an area coinciding with the zone boundaries of the Township Main Street Zone in Saddleworth.
- an area coinciding with the zone boundaries of the Township Main Street Zone in Riverton.

2.2 A contribution shall be based on \$3,500 per car space required under the development plan provisions, offered as an alternative or part alternative to the development plan provisions where these cannot realistically be met.

2.3 The policy will only apply when a new development results in an increase in car parking demand associated with development as detailed below:

- Demolition of existing building and new building constructed with a larger footprint (and a potential land use change).
- Land use change with a resulting higher Off Street Vehicle Parking Requirement as identified within the Development Plan or Planning and
