Draft Economic Development Plan

Have your say! We're seeking your feedback for the Clare & Gilbert Valleys' Economic Development Plan. The purpose of Economic Development Plan (EDP) is to provide clarity around the type of economic growth Council wants to achieve for the local community and identify specific opportunities for achieving this growth. Council has an existing Plan which is now out of date and we have created a new plan with updated information and actions for Council to achieve over the next 5 years. Copies can be viewed online on Council's website or at its offices in Clare, the Saddleworth Library & Community Centre, Riverton Post Office and Clare Library. Comments in writing by 18 August, 5pm addressed to the CEO, 4 Gleeson Street, Clare, SA 5453 or email: admin@cgvc.sa.gov.au
