### New green waste bin deliveries and pickups

Clare & Gilbert Valleys Council is pleased to announce that all residents with a current kerbside waste and recycling pick up will soon receive an additional service – a FOGO (Food Organics Green Organics) green-waste bin.

### CHANGES TO EXPECT

- New FOGO (Food Organic & Green Organic) 240 Litre Bin collection
- Bins collected will now be part of a three-bin service – FOGO, Recycling & General Waste
- All bins will be collected fortnightly (every two weeks) from February 2023

### Here are the steps:

- Clare Valley Waste, Council's waste contractor, will deliver **new 240 Litre BLACK BODY bins** to each residential property and business in the Council District which currently have a waste collection service.
- Each of these new bins will have a smaller **kitchen caddy** and a supply of compostable liners delivered (it will be inside the **BLACK BODY** bin).
- The new collection of FOGO (Food Organics Green Organics) green-waste commences in early in 2023.
- New bin deliveries will roll out from Monday 26 September in the northern part of the district and deliveries should be completed by end October 2022.

### CHANGES TO BIN USE

- Your new **BLACK BODY** bin will become the bin for all your recycling – the items you previously disposed of in your current recycling bin will now go into the **BLACK BODY BIN – PLEASE USE THIS BIN FOR RECYCLING AS SOON AS YOU RECEIVE IT.**
- Your existing **GREEN BODY** bin will become your FOGO (Food Organics Green Organics) green-waste bin.
- Clare Valley Waste personnel will pick the bins up according to their **BODY COLOUR** – ie  
**BLACK BODY BIN = Recycling**  
**GREEN BODY BIN = Green Waste (FOGO)**

*\*The colour of your bin lid does not impact in any way.*

## **KITCHEN CADDY**

- You will be provided with a quantity of compostable caddy liners – it will be your responsibility to source replacement COMPOSTIBLE liners or line your caddy with NEWSPAPER when your supply runs out.
