Australia Day Awards – Who Inspires YOU?
So many people deserve to be nominated, but they can only be nominated by YOU!

Who do you know in your community who inspires others and who has enabled your community to be stronger because of their tireless efforts?

Who do you know who has achieved extraordinary things and who deserves recognition?

The Clare & Gilbert Valleys Council asks you all to consider who you know in your community who deserves to be recognised for what they do to make your town or region a better place to live. Someone who has put in tireless work without recognition and who makes a difference.

Outstanding contribution and community service includes areas such as: education, health, fundraising, charitable and voluntary services, business, sports, arts, the environment, or any other area that contributes to the advancement and wellbeing of a community.

We are looking for nominations for people with a passion for what they do and who often work in the background.
