CWMS Customer Service Charter

Purpose

The Water Retail Code-Minor & Intermediate Retailers, developed by Essential Services Commission of SA (ESCOSA) requires Council to develop a customer charter that fulfils the requirements of the Water Retail Code.

The "Clare & Gilbert Valleys Council – CWMS Customer Service Charter" meets with this requirement.

The aim of our Charter is to provide Council's Community Wastewater Management System (CWMS) customers with a clear understanding of both the standards of service they can expect, their rights and responsibilities and how the price of these services are established.

The Water Retail Code-Minor & Intermediate Retailers, developed by Essential Services Commission of SA (ESCOSA) contains a detailed description of your rights and our responsibilities in providing you with water and/or sewerage retail services and can be found at (www.escosa.sa.gov.au).

Retail Services Provided

The Council is responsible for the provision of the service from the point where your wastewater system connects to the CWMS. The indoor plumbing, the maintenance of the septic tanks and pipe work leading up to the CWMS connection point is the responsibility of the property owner.
