What Type of Bin Do I Need?

General Refuse

A Wheelie Bin (140 litres) for all general
refuse can be purchased from most local
hardware stores.

The refuse bin should be green in colour.

Recycling

A Wheelie Bin (240 litres) exclusively for
recycling material can be purchased from Council.

The recycling bin should be green in colour.

How to Assist Council to Empty Your Refuse Bins

Please ensure the bin is:

- Facing the road
- Placed in an accessible position
- Placed at least 30cm clear of all obstacles
- Not placed behind a parked car
- Not over-full, the lid must be closed
- Not damaged
- Out by 6.00am on the day of collection

Council will not empty your refuse bin if:

- It is packed too tightly and will not empty
- It is too heavy
- It is over-full therefore lifting would cause spills on the road

COLLECTION ENTITLEMENTS

Landowners (including schools and businesses)
are entitled to ONE refuse and recycling
collection only per rateable property.
