### Application to Lay Underground Services

The Clare & Gilbert Valleys Council will grant authorisation for the laying of underground services, including but not restricted to water, telephone, electricity, subject to the applicable conditions and requirements.

All applications must be lodged with Council on the authorised SF007 – Application to Lay a Pipeline and SF006 – Application to Lay an Underground Electrical Service. These forms must be completed and forwarded with a plan of the proposed underground service to the Manager Development Infrastructure, & Environmental Services for approval.
