

European Wasp Policy

Responsible Officer	Chief Executive Officer
Relevant Delegations	Manager Development & Community
Legislation and References	Local Government Act 1999

1 Procedure

The Environmental Health Officer will co-ordinate the destruction of European Wasp nests that have been reported to the Development Community of Council.

Upon receipt of a report, the Environmental Health Officer or a staff member of the Development & Community Department will record the details and arrange for the extermination of the nest.

It is not the Development & Community Department role to locate nests, however the Environmental Health Officer can assist in the identification of a European Wasp.

2 Review & Availability

This policy will be reviewed every four years, or as required.

The public may inspect a copy of this policy without charge at the Council offices during office hours and may obtain a copy for a fee fixed by Council

The policy is also available on Council's website www.claregilbertvalleys.sa.gov.au
