Date: December 14, 2018

Clare main street renewal

Renewal of the Clare Main Street has been under consideration by the Clare & Gilbert Valleys Council which has applied for grant funding to assist the implementation of the project.

Recently, Councillors voted to apply for Clare main street renewal funding under the Federal Government's Drought Communities Extension Program as part of a raft of other projects submitted for consideration.

The outline of the proposal which is seeking a \$200,000 contribution is to allow for the commencement of renewal work on the Clare main street with a focus on the installation of bins, seating, landscaping and cycling infrastructure between the northern roundabout and Mill Place.

Council intends to apply for Places for People funding from the State Government which will allow further works to be undertaken as outlined in the Stage 1 Clare Main Street Streetscape plan.
