1. Purpose

1.1 The purpose of the Risk Management Policy (the Policy) is to enable an integrated approach to risk management by ensuring:

- Clare and Gilbert Valley Council's commitment to core risk management principles;
- Responsibilities are specified for the application of risk identification, assessment and treatment programs across Council operations;
- A Risk Management Framework is established providing the tools and programmes to underpin Council's approach to achieving a balance between the costs of managing a risk and the anticipated benefits.

1.2 The management of risk is recognised as an integral part of good management practice and is an essential component of good corporate governance, including decision making and the successful achievement of Council's Vision, the Strategic Plan Objectives and community expectations.

1.3 To achieve the objectives of the Policy a Risk Management Framework ("the Framework") has been developed.

2. Policy Statement

2.1 Council is committed to maintaining and applying governance and risk management principles to ensure that any impacts to strategic and business objectives are considered and analysed;

2.2 Council has systematic processes to identify, assess, evaluate and treat (mitigate) risks. The risk management programme involves identifying opportunities to ensure Council achieves its strategic goals.

2.3 Management will lead, actively participate in and have complete oversight over all aspects of risk management within their areas of responsibility.
