

Saddleworth Bushfire Safer Precinct

Legend

- Railway
- Land Parcels
- Bushfire Safer Precinct
- Suburbs

This precinct is considered to be relatively safe from fire due to its low levels of fuel. Although the CFS has taken every care and precaution in identifying this area it will be subjected to spark and ember attack in the event of a fire.

It is recommended that several Bushfire Safer Precincts/Settlements be identified when creating a personal Bushfire Survival Plan. Templates for Bushfire Survival Plans are available from the CFS website.
